Subject to the provisions of clause 13, the improvement district shall provide one point of delivery for each parcel of land which was shown as a separate parcel in the records of the Land Registry Office on August 1st, 1931. The acquisition and operation of all works for carrying the water from the point of delivery provided to the place of use and for utilizing the water and for taking care of any surplus water shall be the duty and liability of the owner of the land upon which the water is authorized to be used.

The Trustees may provide an additional point of delivery for any parcel of land upon the owner making written application therefor and paying a bonus of such amount as to the Trustees appears just and reasonable, and they may thereafter charge against the land affected and the owner thereof a special annual toll for the maintenance and operation of the works made necessary to comply with the said application, in addition to all other taxes, tolls, rentals, and charges payable in respect of the land affected.

THE FIRST ASSESSMENT ROLL.

12. The lands within the territorial limits of the district shall for the first assessment be classified into two grades upon the following method of grading:—

Grade A: Comprising all irrigable land in the district.

SPECIAL PROVISIONS.

13. There shall be no obligation upon the improvement district or the Trustees to supply, convey, or deliver water for the irrigation of any land not classified in Grade A in the first assessment roll of the district as that roll is finally revised by the Court of Revision, but the Trustees may deliver water to such land if they deem it in the interest of the improvement district to do so, and they may charge higher tolls in respect of water delivered to such land than are for the same years charged in respect of water supplied, conveyed, or delivered for the irrigation of other lands in the district.

14. Sections 197 to 206, inclusive, 210 to 213, inclusive, and Schedule B of the "Water Act" shall not apply to this improvement district, and the following provisions shall apply:—

"An annual general meeting of the owners of land within the improvement district shall be called by the Trustees, and shall be held between the first day of January and the fifteenth day of April at a place within or in the vicinity of the improvement district, for the following purposes:—

"(c.) To fix the remuneration of the Trustees for the ensuing year:

"(d.) To elect a Trustee or Trustees to fill all vacancies among the Trustees, and to elect a Trustee or Trustees to succeed those whose terms of office expire coincident with the holding of such annual general meeting.

"A special general meeting may be called by the Trustees at any time for the purpose of electing a Trustee or Trustees to fill any vacancy or vacancies among the Trustees, or for the purpose of discussing with the owners any matter or matters relating to the works or finances of the improve-

ment district which in the opinion of the Trustees should be brought up at a general meeting.

"At least fourteen days' notice of every general meeting shall be given by notices mailed to each resident owner of land in the district at his or her last-known address and posted up in a conspicuous public place in the territorial limits. The said notices may be in Form 4 of Schedule A of the 'Water Act.'

"The qualified voters present at a general meeting, except the one called pursuant to clause 10 hereof, shall choose a chairman and a secretary of the meeting. The persons so chosen shall be chairman and secretary respectively of the next succeeding general meeting until a new chairman and secretary have been chosen.

"The secretary shall enter in a book provided by the Trustees for that purpose minutes of all matters brought before the meeting, including all resolutions proposed and the action taken thereon and all votes taken upon any matter. The persons entitled to vote at any general meeting, except the one called pursuant to clause 10 hereof, shall be such as are British subjects, and are of the full age of twenty-one years, and are owners (as defined in section 165 of the 'Water Act') of land within the territorial limits, or are the duly qualified agents of such owners, or the legal representatives of owners who have died, become insolvent or insane, and are not of Chinese, Japanese, or other Asiatic or Indian race, and are not indebted to the improvement district in respect of any taxes, tolls, or other charges except such as have been levied, fixed, or charged by the Trustees within one year of the date of the meeting. In the event of the right of any person to vote at any general meeting being challenged, the chairman shall have authority to determine whether or not such person is entitled to vote, and the chairman may require such person to make and file with him a statutory declaration showing that the declarant is qualified as aforesaid to vote at such general meeting. Forthwith after the holding of a general meeting the Trustees shall file with the Water Board a true copy of the minutes of such meeting."

15. All words and phrases given special meanings in section 2 or section 165 of the said Act shall, where used herein, be ascribed the meanings given them in the said sections unless the context otherwise requires.

IN TESTIMONY WHEREOF, We have caused these Our Letters to be made Patent and the Great Seal of Our said Province to be hereunto affixed.
